- c. Ordinance Amending Section 13, Chapter 5 of the City of Oconto Code of Ordinances

Calvert explained that the word “covenants” is used in this section of the ordinance, which is somewhat strange because covenants generally exist only in private developments. The question came up regarding enforcement of these covenants and while Calvert felt that they were enforceable the way they were written, this amendment changes the wording to “zoning restrictions” to make the ordinance clearer.

Moved by Feldt, seconded by Bronikowski to approve the ordinance amending Section 13, Chapter 5 of the City of Oconto Code of Ordinances.

Motion carried upon electronically recorded vote.
