Sec. 8-3-13. - Refuse Containers in Residential Districts.

(a)

Refuse Containers in Residential Districts. No person shall place or cause to be placed or remove or cause to be removed on or from any single-family or multifamily dwellings located in any Residential 1 (R-1) and Residential 2 (R-2) zoned district a refuse container or a series of containers unless a permit is obtained from the Superintendent of Public Works or his designee.

(b)

Permit. A fee of ten dollars (**\$10.00**) **per month** shall be paid for this permit. The Superintendent of Public Works may issue a permit to a person as required in Subsection

(a) for the following purposes subject to the following conditions:

(1)

Construction Refuse. The Superintendent of Public Works may issue a permit for the purpose of holding refuse generated as the result of construction then occurring on said property. The permit shall be valid for one (1) month from the date of issuance, but the Superintendent of Public Works may extend the permit for additional periods of time depending upon the progress of construction occurring on the property. Any refuse container permitted to be placed on the property under this Subsection shall be located on the property where the construction is then occurring and shall not have the capability of holding more than twenty (20) cubic yards. Any such refuse container shall not be placed in the front yard setback as defined in this Code. Any person owning an interest in the said property, or the owner or hauler of the refuse container may apply for the permit described herein.

(2)

Special Events. The Superintendent of Public Works may issue a permit for the purpose of holding refuse generated as the result of any special event. As used in this Subsection the term "special event" shall include, but not be limited to, carnivals, auctions, weddings, and other family gatherings. The permit issued under this Subsection shall be valid for a period of time not exceeding *five* (5) days. Said refuse container permitted under this Subsection shall be located where the special event is then occurring. The Superintendent of Public Works shall establish the allowable size and number of the refuse containers depending on the number of persons anticipated to attend the said event and shall also designate the area where the said containers may be located. Any person owning an interest in the property where the special *event* is to occur and any person sponsoring said special *event* may apply for the permit described in this Subsection. There shall be a *five-dollar* (\$5.00) charge per dumpster for this permit.

(3)

Permits. A permit is required for any refuse container in any area as defined in Subsection (a) *above*. Permits shall be issued on a monthly basis. Any refuse container seen from any public thoroughfare that has been granted a monthly permit, for more than six (6) times in anyone (1) year, shall have the container in an enclosure as approved by the Superintendent of Public Works

(c)

Penalty. Any person who shall violate any of the provisions of this Ordinance shall, upon conviction, be subject to a penalty as provided in Section 1-1-7 of this Code, together with the cost of prosecution. Each day a violation continues or occurs shall constitute a separate offense. This Section shall not preclude the City from maintain any appropriate action to prevent or *remove* a violation of this Section.
