## Letter from the Mayor

October 16, 2024

Last night it was decided that there is a need to restructure the 2024 Winter Wonderland. There are trees in the Campground that require attention. Safety is always a number one concern. As a very cherished event in the City of Oconto, we do not want to eliminate Winter Wonderland and are working to find a good temporary spot for it. As soon as we are able to meet with the new coordinator and figure out our 2024 plan, we will share it with you all.

Please do not hesitate to reach out if you have questions or comments. My cell phone is 920-634-8425.

Regards,

A handwritten signature in cursive script that reads "Cliff Martin".

Cliff Martin  
Mayor City of Oconto
